QIBA Funding Proposals

- Dr DeYoe submitted proposal; budget requires review/ correcting based on 12 (not 10) months; budget pushed to \$93,513 including 5% for PI support
- Dr Petrella to forward subproject details to Dr DeYoe
- Much work needed with data analysis; expected to take 1+ years
- Four subprojects to analyze different data included within one proposal; to include subproject descriptions in appendix suggested
- Dr DeYoe to add subproject details to new appendix
- Specifics needed for each subproject (one page to Drs DeYoe, Elsinger and Petrella):
 - Project details
 - Goals and Objectives
 - Deliverables
- Reporting of subproject results to fMRI Technical Committee and possible publications discussed

Next Steps:

- Continued discussion needed to finalize proposal details between subproject submitters
- Dr Petrella to forward subproject details to Dr DeYoe
- Dr DeYoe to add subproject details to new appendix
- Next call scheduled for Jan 12, 2011 at 11 am CST
