Pivotal Study Update

- Two datasets out of 11 have been submitted
- Data submission deadline has been extended to **July 5th, 2012**

Manuscript Update

- Draft manuscript reviewed with text incorporated from section authors
- Dr. Athelougou will follow up with section authors regarding any additional items needed

Pilot Study Feedback

- RSNA Staff to distribute an email asking participants for feedback regarding their pilot study results
 - Study organizers would like **feedback by July 15th** to allow suggestions to be incorporated into the manuscript
 - A final draft of the manuscript currently targeted for the end of July

Next steps:

- More text and reference information needed from section authors on manuscript; Dr. Athelougou to follow up with section leads
- RSNA Staff to distribute an email asking pilot participants for feedback regarding their individual results; comments to be sent to RSNA staff by July 15th, please.

Next call: *Thursday, July 5, 2012 at 11:30 AM CT. There will be no call on June 28th.*
