Topics:

- Call summary format change
- DWI BC representation at Dec. 1 QIBA Working meeting during RSNA Annual Meeting
- Challenge obtaining IRB approval for the multicenter head and neck study funded by the RSNA R&E Foundation grant
- November 10, 2021, is the abstract deadline for May 7-12, 2022, ISMRM Annual Meeting
- Abstract submission for QIBA DWI-MR scientific presentation at RSNA 2022
- Review of Summer 2021 discussion regarding DWI White Paper planning

Decisions

- The notes from the September 16, 2021, DWI BC t-con were approved as presented
- The DWI BC will refer to meeting recordings or audio transcripts to add detail to high-level call summaries

Next Steps / Action Items:

- DWI BC meeting recordings to be made available to BC members via guest link; additional discussion is needed re: storage limitations
- Due to low expected DWI BC breakout session attendance at Dec. 1 QIBA Working Meeting, Dr. Boss to organize Zoom meeting to discuss ongoing projects
- Drs. Boss, Dave, and Guzmán discuss issue with IRB approval for head and neck project offline
- To allow time to prepare for future conferences, a list of abstract submission deadlines relevant to the DWI BC and a list of abstract topics to be developed

Next DWI-MR BC Call: TBD

RSNA Staff attempt to capture all committee members participating on Zoom calls. However, **if attendees join only by phone, or do not use a recognizable name, identification is not possible.** Participants are welcome to contact RSNA staff at giba@rsna.org if their attendance is not reflected on the call summaries.
