QIBA fMRI Technical Committee Call Agenda, Wednesday, July 31, 2013 (11 AM CT)

Discussion of Projects for QIBA Funding Consideration

Realistic timeline and budget adjustment for year 1

Objectives may be difficult to complete in one year

The project proposal to be edited and resubmitted

Final review of the projects by the QIBA Steering Committee is scheduled for August 29th

- Projects will be prioritized to help streamline the implementation process, if funding is granted
- Final versions of the proposals will need to be submitted in August, date TBD

Profile Discussions

Section 2.8.1 MRI Signal Specifications and parameters were discussed in detail

- Measurements need to be defined as well as values and levels
- Goal to standardize the criteria for fMRI scans.

Action items:

Dr. DeYoe to work on the final version of the project proposal specifically Aim 3 and the introduction.
