1. Review of Previous Call Summary – 07-November-2022
2. Previous Action Items
 - 2.1. Future Round Robin at a Conference - Consider contacting company about their ability and interest in participating in a possible round robin in the future when systems are ready. Also need to determine what specifically will be gained. This needs to be an effort that would be expected to result in a publishable outcome.
 - 2.2. Determine need for any additional information (appendix) that would need to be provide related to Zonnebeld analysis. Consider whether there might be interest by the authors in an additional related publication.
 - 2.3. Brian to set up groups to divide tasks related to reviewing section 4 in context of the rest of the profile.
3. Update on VBF Profile Discussions
 - 3.1. Review of current draft and updates from Profile Task Group
 - 3.1.1. Review the current draft and updates from Profile Task Group with the rest of the group at the upcoming meeting.
4. Action Items
