Madeleine McCoy

RSNA 2011 QIBA Tech Ctte Posters

- Dr. Guimaraes submitted the final poster to RSNA for printing.
- RSNA will prepare the poster as handouts (11"x17" version of the poster) to be distributed at the RSNA 2011 Annual Meeting.
- Discussion of having at least 2 people at the QIBA Poster area at the RSNA Annual Meeting on each day.
- Dr. Rosen and Karczmar to update their availability on the Doodle Poll.

Overview of Public Comment Phase for Profile v1.4 (Dr. Guimaraes)

- Discussed compliance issues.
- Discussion of removing "human test subjects"—Dr. Guimaraes to alter text somewhere in-between the original copy and the revised version.
- Drs Jackson and Gupta are working on the GE scanner specifications document; Dr. Guimaraes to work with Dr. Ivancevic on the Philips.
- Dr. Guimaraes to have a final version of the profile at the face-to-face tech ctte meeting at RSNA (Nov 30, 2011).

Next steps:

- The next QIBA DCE-MRI call is scheduled for Wednesday, December 14, 2011, at 11 am CST
