Corporate Slides Review (Mr Buckler)

- Corporate message designed to focus on device and software manufacturers
- Plan to visit GE on 10/26
- Visits to software manufacturers are not anticipated but message is applicable to both groups
- Based on previous input, a number of slides have been combined such that there is one message per slide (and not multiple slides per message)
- Introductory slides from Drs Sullivan and Bresolin will provide an overview of QIBA mission and background
- Mr Buckler's slides will build on this information
- Detailed slides will be distributed ahead of visit but presentation will focus on high-level message using simplified version
- Sequence of high-level messages and wordsmithing of slide headings addressed and edits incorporated
- Consensus that Slide #4 is a key opportunity slide with link to patient treatment and management
 - Title change suggested and incorporated
- Consider whether information on Archives, data collection and qualification process needed
- Consider using three-pillar model to focus this message
- Acknowledgements need to be expanded
 - RSNA staff to provide pertinent QIBA committee rosters
- Two versions of conclusion slides compared
- More positive message recommended with action items highlighted
- Consider including evidence to prove Vol CT works better than existing methodologies
- Mr Buckler to complete revision of slide sets and distribute to the group

Posters for RSNA Annual Meeting to be discussed on next call

Next Steps:

- Mr Buckler to complete revision of slide deck and send to RSNA staff for distribution
- RSNA staff to provide committee rosters to Mr Buckler
- Next call: October 25th, 2010 at 11 am CDT
