Agenda

Start reviewing checklist items in detail

Define process to achieve the specific deliverables

1. Guidelines
2. Companion paper
3. Materials/presentations e.g. presentation to AAPM workshop/journals editors

Next call same time, **10 am CT, Wednesday, October 8, 2014**

Items discussed:

- Aim to be generalizable for other modalities
- Desire to have a more complete draft by the time of the STARD meeting in Amsterdam in September
- Review of comments and draft QIB Reporting guidelines ongoing
- Dr. Chalkidou provided a link for group reference re: STARD dementia guidelines: <http://www.equator-network.org/reporting-guidelines/starddem/>

Action items:

- Dr. Marsden to incorporate comments received and circulate in a draft version by next call
- Dr. McShane to circulate a draft to REMARK colleagues for collaborative review

(Not sure if these action items are complete)?:

- Rich Wahl to draft initial checklist
- Anastasia Chalkidou to add paper and summary from recent PET/CT guidelines to Dropbox
- Paul Kinahan to add paper and summary from Fletcher et al. guidelines to Dropbox
- Lisa McShane to add BRISQ paper to Dropbox
- Erich Huang to add paper and summary from De Langen et al. review to Dropbox
- Paul Marsden and Paul Kinahan to look for examples in the imaging versus oncology literature for good and bad reporting (possibly summarize in a spreadsheet?)
