**QIBA FDG-PET Profile public comments discussed**

- Addressing public comments compete with the following exceptions:
  - Product from September 30<sup>th</sup> and October 7<sup>th</sup> DICOM calls
    - 17 of 25 DICOM related comments still need to be addressed
    - Any Profile changes resulting from these DICOM calls will be circulated among the Tech Ctte with a one week timeframe for review/feedback
- Next steps:
  - Field test of the Profile
  - Creation of a checklist for compliance based on Profile performance specifications
  - Exploration of topics in neurology
  - Dr. Perlman will release the Profile in Word to RSNA staff for “clean-up” and formatting
  - ASTRO comments re: the Profile need to be addressed; feedback welcome
  - FDG-PET/CT UPICT Protocol released for public comment; feedback expected by Nov 15, 2013
