Public Comment responses were discussed:

- The Public Comment period closed on June 3rd
- Responses were received from individuals as well as from representatives from the AAPM and the FDA
- Comments were compiled into a spreadsheet and organized by section and line to facilitate response
- Responding to these comments as a BC will help to advance the Profile to the next [Profile Stage](#) of Consensus
- Mr. Buckler documented changes which were discussed on the call.
 - Updates can be found posted to the CTA BC's working page on the wiki, including the latest version of the Profile (PDF) and the spreadsheet containing comments (Excel):
